RECOGNISING the integrated character of international civil aviation and desiring to create a European Common Aviation Area (ECAA) based on mutual market access to the air transport markets of the Contracting Parties and freedom of establishment, with equal conditions of competition, and respect of the same rules – including in the areas of safety, security, air traffic management, social harmonisation and environment;

CONSIDERING that the rules concerning the ECAA are to apply on a multilateral basis within the ECAA and therefore specific rules need to be defined in this respect;

AGREEING that it is appropriate to base the ECAA rules on the relevant legislation in force within the European Community, as laid down in Annex I to this Agreement, without prejudice to those contained in the Treaty Establishing the European Community;

RECOGNISING that full compliance with the ECAA rules entitle the Contracting Parties to reap the benefits from the ECAA, including market access;

BEARING IN MIND that compliance with the ECAA rules, including full market access, cannot be achieved in one step, but rather by means of a transition facilitated by specific arrangements of limited duration;

EMPHASISING that, subject to transitional arrangements where necessary, the rules concerning market access of air carriers should exclude limitations on frequencies, capacity, air routes, type of aircraft or similar restrictions under bilateral air transport agreements or arrangements, and that air carriers should not be required to enter into commercial agreements or similar arrangements as a condition to market access;

EMPHASISING that air carriers should be treated in a non-discriminatory manner regarding their access to air transport infrastructures especially where these infrastructures are limited;

BEARING IN MIND that Association Agreements between the European Communities and their Member States and certain other Contracting Parties as a matter of principle provide that, with a view to ensuring a coordinated development and progressive liberalisation of transport between the Parties to those Agreements as adapted to reciprocal commercial needs, the conditions of mutual market access in air transport should be dealt with by special agreements;

BEARING IN MIND the desire of each of the Associated Parties to make its laws on air transport and associated matters compatible with those of the European Community, including with regard to future legislative developments within the Community;

RECOGNISING the importance of technical assistance in this perspective;

RECOGNISING that the relations between the Community and the EC Member States and Norway and Iceland must continue to be governed by the European Economic Area Agreement;

DESIRING to allow for subsequent enlargement of the European Common Aviation Area;

RECALLING the negotiations between the European Community and the Associated Parties with a view to concluding Agreements on Certain Aspects of Air Services which will bring bilateral air service agreements between the EC Member States and the Associated Parties in line with European Community law,

HAVE AGREED AS FOLLOWS:

OBJECTIVES AND PRINCIPLES

ARTICLE 1

1. The aim of this Agreement is the creation of a European Common Aviation Area, hereinafter referred to as the ECAA. The ECAA shall be based on free market access, freedom of establishment, equal conditions of competition, and common rules including in the areas of safety, security, air traffic management, social and environment. These rules include the provisions laid down by the legislation specified in Annex I.

3. This Agreement consists of Articles, setting out the general functioning of the ECAA, hereinafter referred to as "the Main Agreement", of Annexes, of which Annex I contains the European Community legislation applicable between the Contracting Parties in the framework of the Main Agreement, and of Protocols, of which at least one for each Associated Party establishes the transitional arrangements applicable to it.

ARTICLE 5

The provisions of this Agreement shall not affect the relations between the Contracting Parties of the EEA Agreement.

NON-DISCRIMINATION

ARTICLE 6

Within the scope of this Agreement, and without prejudice to any special provisions contained therein, any discrimination on grounds of nationality shall be prohibited.

RIGHT OF ESTABLISHMENT

ARTICLE 7

Within the scope and conditions of this Agreement and without prejudice to the provisions of the relevant acts specified in Annex I, there shall be no restrictions on the freedom of establishment of nationals of an EC Member State or an ECAA Partner in the territory of any of them. Freedom of establishment shall include the right to take up and pursue activities as self-employed persons and to set up and manage undertakings, in particular companies or firms under the conditions laid down for its own nationals by the law of the country where such establishment is effected. This shall also apply to the setting up of agencies, branches or subsidiaries by nationals of any EC Member State or ECAA Partner established in the territory of any of them.

2. The provisions of Articles 7 and 8 and measures taken in pursuance thereof shall not prejudice the applicability of provisions laid down by law, regulation or administrative action of the Contracting Parties regarding entry, residence and employment or providing for special treatment for foreign nationals on grounds of public policy, public security or public health.

ARTICLE 10

1. Without prejudice to more favourable provisions in existing agreements and within the scope of this Agreement, the Contracting Parties shall abolish quantitative restrictions and measures having an equivalent effect on transfers of equipment, supplies, spare parts, and other devices when they are necessary for an ECAA air carrier to continue to provide air transport services under the conditions foreseen by this Agreement.
2. The obligation referred to in paragraph 1 shall not preclude the Contracting Parties from prohibiting or imposing restrictions on such transfers justified on the grounds of public policy or public security, of the protection of health and life of humans, animals or plants, or of the protection of intellectual, industrial and commercial property. Such prohibitions or restrictions shall not, however, constitute a means of arbitrary discrimination or a disguised restriction on trade between the Contracting Parties.

AVIATION SAFETY

ARTICLE 11

1. The Contracting Parties shall put in place the appropriate means to ensure that aircraft registered in one Contracting Party, when landing at airports in another Contracting Party, comply with international safety standards established pursuant to the Convention and shall be subject to ramp inspections by the authorised representatives of that other Contracting Party, on board and around the aircraft to check both the validity of the aircraft documents and those of its crew and the apparent condition of the aircraft and its equipment.
2. A Contracting Party may request consultations at any time concerning the safety standards maintained by another Contracting Party in areas other than those covered by the acts referred to in Annex I.
3. Nothing in this Agreement shall be construed so as to limit the authority of a Competent Civil Aviation Authority to take all appropriate and immediate measures whenever it ascertains that a product or a service may:
 - (i) fail to satisfy the minimum standards which may be established pursuant to the Convention,
or

- (ii) give rise to serious concerns – established through an inspection referred to in paragraph 1 – that an aircraft or the operation of an aircraft does not comply with the minimum standards established pursuant to the Convention, or
 - (iii) give rise to serious concerns that there is a lack of effective maintenance and administration of minimum standards established pursuant to the Convention.
4. Where a Competent Civil Aviation Authority takes action under paragraph 3, it shall promptly inform the Competent Civil Aviation Authorities of the other Contracting Parties of taking such action, providing reasons for its action.
5. Where measures taken pursuant to paragraph 3 are not discontinued even though the basis for taking them has ceased to exist, any Contracting Party may refer the matter to the Joint Committee.
6. Any amendments to national law with respect to the status of the Competent Civil Aviation Authority shall be notified by the Contracting Party concerned to the other Contracting Parties.

AVIATION SECURITY

ARTICLE 12

1. In order to safeguard civil aviation against acts of unlawful interference, the Contracting Parties shall ensure that the common basic standards and the compliance monitoring mechanisms on aviation security as contained in Annex I are applied to any airport located in their territories, in accordance with the relevant provisions referred to in that Annex.
2. The Contracting Parties shall provide upon request all necessary assistance to each other to prevent acts of unlawful seizure of civil aircraft and other unlawful acts against the safety of such aircraft, their passengers and crew, airports and air navigation facilities, and any other threat to the security of civil aviation.
3. When an incident or threat of an incident of unlawful seizure of civil aircraft or other unlawful acts against the safety of such aircraft, their passengers and crew, airports or air navigation facilities occurs, the Contracting Parties shall assist each other by facilitating communications and other appropriate measures intended to terminate rapidly and safely such incident or threat thereof.
4. An Associated Party may be subjected to a European Commission inspection in accordance with the relevant European Community legislation as referred to in Annex I, and it may be required to participate in European Commission inspections in other Contracting Parties.

AIR TRAFFIC MANAGEMENT

ARTICLE 13

1. The Contracting parties shall cooperate in the field of air traffic management with a view to extending the Single European Sky to the ECAA in order to enhance current safety standards and overall efficiency of general air traffic standards in Europe, to optimise capacity and to minimise delays.

2. With a view to facilitating the application of the Single European Sky legislation in their territories,
 - the Associated Parties, within the limits of their respective competences, shall at the earliest opportunity take the necessary measures to adjust their air traffic management institutional structures to the Single European Sky, in particular by designating or establishing pertinent national supervisory bodies at least functionally independent of air navigation service providers,

- the European Community shall associate the Associated Parties with any operational initiative in the fields of air navigation services, airspace and interoperability that stem from the Single European Sky, in particular through an early involvement of the relevant Contracting Parties' efforts to establish functional airspace blocks.
3. The European Community shall see to it that the Associated Parties are fully associated with the development of an ATM Master Plan within the SESAR programme of the Commission.

COMPETITION

ARTICLE 14

1. Within the scope of this Agreement the provisions of Annex III shall apply. Where rules on competition and state aid are included in other agreements between two or more Contracting Parties, such as Association Agreements, these rules shall apply between those Parties.
2. Articles 15, 16 and 17 shall not apply with respect to the provisions in Annex III.

ENFORCEMENT

ARTICLE 15

1. Without prejudice to paragraphs 2 and 3, each Contracting Party shall ensure that the rights which devolve from this Agreement, and in particular from the acts specified in Annex I, may be invoked before national courts.
2. In cases which may affect actual or potential air services to be authorised under this Agreement, the European Community institutions shall enjoy the powers specifically granted to them under the provisions of the acts referred to or contained in Annex.
3. All questions concerning the legality of decisions taken by European Community institutions under this Agreement, in particular under the acts specified in Annex I, shall be of the exclusive competence of the Court of Justice of the European Communities, hereinafter referred to as "the Court of Justice".

INTERPRETATION

ARTICLE 16

1. Insofar as the provisions of this Agreement and the provisions of the acts specified in Annex I are identical in substance to corresponding rules of the EC Treaty and to acts adopted pursuant to the EC Treaty, those provisions shall, in their implementation and application, be interpreted in conformity with the relevant rulings and decisions of the Court of Justice and the European Commission given before the date of signature of this Agreement. The rulings and decisions given after the date of signature of this Agreement shall be communicated to the other Contracting Parties. At the request of one of the Contracting Parties, the implications of such later rulings and decisions shall be determined by the Joint Committee in view of ensuring the proper functioning of this Agreement. Existing interpretations shall be communicated to the ECAA Partners prior to the date of signature of this Agreement. Decisions taken by the Joint Committee under this procedure shall be in conformity with the case law of the Court of Justice.

2. When a question of interpretation of this Agreement, of the provisions of the acts specified in Annex I or of acts adopted in pursuance thereof identical in substance to corresponding rules of the EC Treaty and to acts adopted pursuant to the EC Treaty, arises in a case pending before a court or tribunal of an ECAA Partner, the court or tribunal shall ask, if it considers this necessary to enable it to give a judgement and in accordance with Annex IV, the Court of Justice to decide on the question. An ECAA Partner may, by decision and in accordance with Annex IV, stipulate the extent to which, and according to what modalities, its courts and tribunals are to apply this provision. Such a decision shall be notified to the depositary and the Court of Justice. The depositary shall inform the other Contracting Parties.

3. Where, in accordance with paragraph 2, a court of a Contracting Party against whose decisions there is no judicial remedy under national law is not able to make a referral to the Court of Justice, any judgement of such court shall be transmitted by the Contracting Party concerned to the Joint Committee which shall act so as to preserve the homogeneous interpretation of this Agreement. If the Joint Committee, within two months after a difference between the case law of the Court of Justice and a judgement of a court of such a Contracting Party has been brought before it, has not succeeded in preserving the homogeneous interpretation of this Agreement, the procedures laid down in Article 20 may be applied.

NEW LEGISLATION

ARTICLE 17

1. This Agreement shall be without prejudice to the right of each Contracting Party, subject to compliance with the principle of non-discrimination and the provisions of this Article and of Article 18(4) to unilaterally adopt new legislation or amend its existing legislation in the field of air transport or an associated area mentioned in Annex I. The Associated Parties shall not adopt any such legislation unless it is in accordance with this Agreement.

2. As soon as a Contracting Party has adopted new legislation or an amendment to its legislation it shall inform the other Contracting Parties via the Joint Committee not later than one month after its adoption. Upon the request of any Contracting Party, the Joint Committee shall within two months thereafter hold an exchange of views on the implications of such new legislation or amendment for the proper functioning of this Agreement.

3. The Joint Committee shall:
 - (a) either adopt a decision revising Annex I so as to integrate therein, if necessary on a basis of reciprocity, the new legislation or amendment in question; or

- (b) adopt a decision to the effect that the new legislation or amendment in question is to be regarded as in accordance with this Agreement; or
- (c) decide on any other measures to safeguard the proper functioning of this Agreement.

4. As regards the legislation which has been adopted between the signing of this Agreement and its entry into force and of which the other Contracting Parties have been informed, the date of referral shall be taken as the date on which the information was received. The date on which the Joint Committee reaches a decision may not be earlier than sixty days after the entry into force of this Agreement.

JOINT COMMITTEE

ARTICLE 18

1. A Joint Committee is hereby established which shall be responsible for the administration of this Agreement and shall ensure its proper implementation, without prejudice to Article 15(2) and (3) and Articles 21 and 22. For this purpose it shall make recommendations and take decisions in the cases provided for in this Agreement. The decisions of the Joint Committee shall be put into effect by the Contracting Parties in accordance with their own rules.
2. The Joint Committee shall consist of representatives of the Contracting Parties.

3. The Joint Committee shall act by unanimity. However, the Joint Committee may decide to lay down a majority voting procedure for certain specific issues.
4. For the purpose of the proper enforcement of this Agreement, the Contracting Parties shall exchange information, inter alia, on new legislation or decisions that are relevant for this Agreement, and, at the request of any Party, shall hold consultations within the Joint Committee, including on social issues.
5. The Joint Committee shall adopt its rules of procedure.
6. An ECAA Partner or the European Community and its Member States shall preside in turn over the Joint Committee in accordance with the arrangements to be laid down in its rules of procedure.
7. The chairman of the Joint Committee shall convene its meetings at least once a year in order to review the general functioning of this Agreement and, whenever special circumstances so require, at the request of a Contracting Party. The Joint Committee shall keep under constant review the development of the case law of the Court of Justice. To this end the European Community shall transmit to the ECAA Partners all judgements of the Court of Justice relevant for the functioning of this Agreement. The Joint Committee shall act within three months so as to preserve the homogeneous interpretation of this Agreement.

8. The Joint Committee may decide to set up any working party that can assist it in carrying out its duties.

ARTICLE 19

1. A decision of the Joint Committee shall be binding upon the Contracting Parties. Whenever a decision taken by the Joint Committee contains a requirement for action to be taken by a Contracting Party, the said Party shall take the necessary measures and inform the Joint Committee thereof.

2. The decisions of the Joint Committee shall be published in the Official Journals of the European Union and of the ECAA Partners. Each decision shall state the date of its implementation by the Contracting Parties and any other information likely to concern economic operators.

DISPUTE SETTLEMENT

ARTICLE 20

1. The Community, acting together with the EC Member States, or an ECAA Partner may bring a matter under dispute which concerns the application or interpretation of this Agreement before the Joint Committee, except where specific procedures are set out in this Agreement.

2. When a dispute has been brought before the Joint Committee under paragraph 1, immediate consultations shall be held between the parties to the dispute. In cases where the European Community is not a party to the dispute, a Community representative may be invited to the consultations by one of the parties to the dispute. The parties to the dispute may draw up a proposal for a solution which shall immediately be submitted to the Joint Committee. Decisions taken by the Joint Committee under this procedure shall respect the case law of the Court of Justice.

3. If the Joint Committee after four months from the date when the matter was brought before it has not succeeded to take a decision resolving the dispute, the parties to the dispute may refer it to the Court of Justice whose decision shall be final and binding. The modalities according to which such referrals may be made to the Court of Justice are set out in Annex IV.

4. If the Joint Committee does not within four months take a decision on an issue which has been referred to it, the Contracting Parties may take appropriate safeguard measures in accordance with Articles 21 and 22 for a period not exceeding six months. After this period each Contracting Party may denounce this Agreement with immediate effect. A Contracting Party shall not take safeguard measures on a matter which has been referred to the Court of Justice in accordance with this Agreement, except in cases defined in Article 11(3) or in compliance with mechanisms provided for in individual acts specified in Annex I.

SAFEGUARD MEASURES

ARTICLE 21

Without prejudice to Article 11(3) and the safety and security assessments mentioned in the Protocols to this Agreement, safeguard measures shall be restricted with regard to their scope and duration to what is strictly necessary in order to remedy the situation. Priority shall be given to such measures as will least disturb the functioning of this Agreement.

ARTICLE 22

1. A Contracting Party which is considering taking safeguard measures shall notify the other Contracting Parties of its intention through the Joint Committee and shall provide all relevant information.
2. The Contracting Parties shall immediately enter into consultations in the Joint Committee with a view to finding a commonly acceptable solution.
3. Without prejudice to Article 11(3), the Contracting Party concerned may not take safeguard measures until one month has elapsed after the date of notification under paragraph 1, unless the consultation procedure under paragraph 2 has been concluded before the expiration of the said time limit.

4. The Contracting Party concerned shall without delay notify the Joint Committee of the measures taken and shall provide all relevant information.

DISCLOSURE OF INFORMATION

ARTICLE 23

The representatives, delegates and experts of the Contracting Parties, as well as officials and other servants acting under this Agreement, shall be required, even after their duties have ceased, not to disclose information covered by the obligation of professional confidentiality, in particular information about undertakings, their business relations or their cost components.

THIRD COUNTRIES AND INTERNATIONAL ORGANISATIONS

ARTICLE 24

1. The Contracting Parties shall consult with each other in the framework of the Joint Committee at the request of any Contracting Party, in accordance with the procedures laid out in Articles 25 and 26,

(a) on air transport questions dealt with in international organisations; and

- (b) on various aspects of possible developments in relations between Contracting Parties and third countries in air transport, and on the functioning of the significant elements of bilateral or multilateral agreements concluded in this field.
2. The consultations provided for in paragraph 1 shall be held within one month of the request and in urgent cases as soon as possible.

ARTICLE 25

1. The main aims of the consultations provided for in Article 24(1)(a) shall be:
- (a) to determine jointly whether the questions raise problems of common interest; and
 - (b) depending upon the nature of such problems:
 - to consider jointly whether the Contracting Parties' action within the international organisations concerned should be coordinated, or
 - to consider jointly any other approach which might be appropriate.
2. The Contracting Parties shall as soon as possible exchange any information of relevance to the aims provided for in paragraph 1.

ARTICLE 26

The main aims of the consultations provided for in Article 24(1)(b) shall be to examine the relevant issues and to consider any approach which might be appropriate.

TRANSITIONAL ARRANGEMENTS

ARTICLE 27

1. Protocols I to VIII establish the transitional arrangements and corresponding periods applying between the European Community and the EC Member States, on the one hand, and the Associated Party concerned, on the other hand. In the relationship between Norway or Iceland and an Associated Party the same conditions shall apply as between the European Community and the EC Member States, on the one hand, and the Associated Party concerned, on the other hand.
2. During the transitional periods referred to in paragraph 1 the relevant elements of the air transport regime between two Associated Parties shall be determined on the basis of the more restrictive of the two Protocols referring to the Associated Parties in question.
3. The gradual transition of each Associated Party to the full application of the ECAA shall be subject to assessments. The assessments shall be carried out by the European Community in cooperation with the Associated Party concerned. When an Associated Party is satisfied that the conditions for completing a transitional period as set out in the relevant Protocol have been fulfilled, it shall inform the European Community that an assessment should be carried out.

4. If the European Community determines that the conditions are fulfilled it shall inform the Joint Committee and decide thereafter that the Associated Party concerned qualifies for passing to the next transitional period or for full inclusion in the European Common Aviation Area as the case may be.

5. If the European Community determines that the conditions are not fulfilled it shall so report to the Joint Committee. The Community shall recommend to the Associated Party concerned specific improvements and determine an implementing period within which these improvements can reasonably be implemented. Before the end of the implementing period a second and, if necessary, further assessments shall be made whether the recommended improvements have effectively and satisfactorily been implemented.

RELATIONSHIP WITH BILATERAL AIR TRANSPORT AGREEMENTS AND ARRANGEMENTS

ARTICLE 28

1. The provisions of this Agreement shall prevail over the relevant provisions of bilateral air transport agreements and/or arrangements in force between the Associated Parties on the one hand and the European Community, an EC Member State, Norway or Iceland on the other hand, as well as between Associated Parties.

2. Notwithstanding paragraph 1, during the transitional periods referred to in Article 27, the provisions concerning ownership, traffic rights, capacity, frequencies, type or change of aircraft, code-sharing and pricing of a bilateral agreement or arrangement in force between an Associated Party and the European Community, an EC Member State, Norway or Iceland or between two Associated Parties shall apply between the Parties thereto if such bilateral agreement and/or arrangement is more flexible, in terms of freedom for the air carriers concerned, than the provisions of the applicable Protocol with respect to the Associated Party concerned.

3. A dispute between an Associated Party and another Contracting Party as to whether the provisions of the Protocol with respect to the Associated Party concerned or the bilateral agreements and/or arrangements are, in view of the full application of the ECAA, more flexible shall be settled in the framework of the dispute settlement mechanism provided for in Article 20. Disputes on how to determine the relationship between conflicting Protocols shall be settled in the same way.

ENTRY INTO FORCE, REVIEW, TERMINATION AND OTHER PROVISIONS

ARTICLE 29

Entry into force

1. This Agreement shall be subject to ratification or approval by the signatories in accordance with their own procedures. Instruments of ratification or approval shall be deposited with the General Secretariat of the Council of the European Union (depository), which shall notify all other signatories as well as the International Civil Aviation Organisation thereof.
2. This Agreement shall enter into force on the first day of the second month following the date of deposit of the instruments of ratification or approval by the European Community and the EC Member States and at least one Associated Party. For each signatory which ratifies or approves this agreement after such date, it shall enter into force on the first day of the second month following the deposit by such signatory of its instrument of ratification or approval.
3. Notwithstanding paragraphs 1 and 2, the European Community and its Member States and at least one Associated Party, may decide to apply provisionally this Agreement among themselves from the date of signature, in accordance with the application of domestic law, by notifying the depository which shall notify the other Contracting Parties thereof.

ARTICLE 30

Review

This Agreement shall be reviewed at the request of any Contracting Party and at any event five years after its entry into force.

ARTICLE 31

Termination

1. Each Contracting Party may denounce this Agreement by notifying the depository, which shall notify this termination to the other Contracting Parties as well as the International Civil Aviation Organisation. If this Agreement is denounced by the European Community and the EC Member States it shall cease to be in force one year after the date of notification. If this Agreement is denounced by any other Contracting Party it shall cease to be in force only with respect to such Contracting Party one year after the date of notification. However, air services operated at the date of expiry of this Agreement may continue until the end of the International Air Transport Association (IATA) scheduling season into which that date of expiry falls.
2. Upon accession to the European Union of an Associated Party, that Party shall automatically cease to be an Associated Party under this Agreement and shall instead become an EC Member State.

3. This Agreement shall cease to be in force or be suspended with respect to an Associated Party if the corresponding Association Agreement ceases to be in force or is suspended.

ARTICLE 32

Enlargement of the ECAA

The European Community may ask any State or entity which is prepared to make its laws on air transport and associated matters compatible with those of the Community, and with which the Community has established or is establishing a framework of close economic cooperation, such as an Association Agreement, to participate in the ECAA. To this end, the Contracting Parties shall amend this Agreement accordingly.

ARTICLE 33

Gibraltar airport

1. The application of this Agreement to Gibraltar airport is understood to be without prejudice to the respective legal positions of the Kingdom of Spain and the United Kingdom with regard to the dispute over sovereignty over the territory in which the airport is situated.
2. The application of this Agreement to Gibraltar airport shall be suspended until the arrangements in the Joint Declaration made by the Foreign Ministers of the Kingdom of Spain and the United Kingdom on 2 December 1987 enter into operation.

ARTICLE 34

This Agreement is drawn up in a single original in the official languages of the institutions of the European Union and of the Contracting Parties other than the European Community and its Member States, each of these texts being equally authentic.
